

All workshops are available at your office

SEC INSTITUTE ON-SITE

INNOVATIVE AND CREATIVE OPTIONS FOR QUALITY, TARGETED TRAINING ON **SEC, FASB** AND RELATED TOPICS

All our workshops are available at your office:

- We work with you to develop the curriculum and program that best fits your staff's needs
- We provide knowledgeable instructors with outstanding presentation skills who ensure the information is skillfully conveyed
- Minimize loss of productivity by keeping your workforce on site – Save travel time and money
- Use an on-site program or customized program to familiarize disclosure committee members with SEC reporting requirements – Often referred to as **“Disclosure Committee Boot Camp”**
- On-site workshops are also a great way to provide SEC reporting knowledge to audit committee members

PRINCIPAL WORKSHOP LEADERS

Carol A. Stacey, CPA joined The SEC Institute as Vice President in July 2007. Carol is responsible for conducting seminars on various reporting and financial accounting topics, as well as overseeing our Conference Division. She created the SEC Institute's programs IFRS Conference: Today's Landscape... Tomorrow's Challenge and Accounting for Business Combinations. Carol was the Chief Accountant of the Division of Corporation

Finance at the U.S. Securities and Exchange Commission, an appointment she held for over five years beginning in February 2002. Carol began her SEC career in 1996 and her other roles included Deputy Chief Accountant, Associate Chief Accountant, Assistant Chief Accountant, and Staff Accountant. Before joining the Commission, Carol worked for an SEC registrant in various capacities, including Director of Financial Reporting and Divisional Controller. Prior to that, Carol was an auditor in the Boston office of PricewaterhouseCoopers.

George M. Wilson, CPA is a Vice President at the SEC Institute, where he teaches courses in SEC reporting and related areas. He is the author of the Institute's Advanced SEC Reporting Skills, Implementing SOX 404 Internal Control Reporting, SOX 404: Climbing the Learning Curve!, Understanding SFAS 133, Applying SFAS 109: Accounting for Income Taxes and Accounting for Business Combinations and Goodwill

courses. Before joining the SEC Institute George was an Assistant Professor in the Department of Accounting at the University of Saint Thomas, in Saint Paul, MN. He was director of the University's Accounting MBA program and also taught in the undergraduate accounting department. He has received the AICPA's Outstanding Discussion Leader Award and the Minnesota State Society's R. Glenn Berryman Award. George also served as Senior Vice President, Operations of Security Financial, where he managed the organization's initial public offering, and as a senior manager with KPMG.
